Note: Lucy has been used for cutting lessons, turning back trail riding and general use on the farm. She was never given the opportunity to show as she was originally purchased for learning to cut and trail riding. She has had three foals (Spots Hot, Quejanaisalena, Widows Freckles). The oldest foal has now started showing and show lots of promise. All of Lucy's foals are beautiful, easy to train and very willing. She is not only a great broodmare, she is an easy kept mare that anyone can ride Lucy. Don't miss the double bred Doc Bar and Peppy San Badger mare!
